

Training Programmes -2018

Sri Lanka Accreditation Board for Conformity Assessment

General Instructions:

- All interested parties are requested to fill separate reservation form for each programme and submit to the SLAB and settle the payments and complete registration process at least one week before the programme.
- Reservations will be done **first come first serve basis**
- For Assessor Training maximum number of participants is 20 and other general training programmes maximum number of participants is 45.
- For Assessor Training, Application form for Assessor Training, Reservation Form and updated CV are required to complete registration. Please download relevant forms from SLAB website.
- A copy of ISO/IEC 17025: 2017 will not be provided. Therefore, participants are requested to bring your standard.
- Reservation slip could be download from the SLAB website
- All dates are given as tentative dates and can be changed due to unavoidable circumstances and of there is no adequate minimum number of participants (15-20).
- Cancellation of programmes will be notified to registered participants in advanced and highlighted in the plan.
- Additional Training on ISO/IEC 17025:2005 may be arranged on request of laboratories.
- Venue of the programme is SLAB training room unless specified in the training schedule or notified by the SLAB
- Before send your reservation form, please check the target group and qualification criteria (only for assessor training)
- Charges indicated in the plan may be changed due to government tax policies and revised fees will be changed accordingly.
