Agreement

1. The laboratory shall carry out its testing activities in such a way as to meet the requirements of ISO/IEC 17025: 2017 whichever is applicable and relevant to SLAB criteria and Rules & Procedures for Testing Laboratories (TL-RG(P)-02).
2. The accreditation shall be initially granted after a successful initial assessment for a period of three years unless otherwise decided by SLAB and thereafter shall be subject to on-site annual surveillance activities. These surveillance activities shall be conducted before the completion of each year for two years counting from the date of grant of accreditation.
3. Before expiry of the validity period, the accreditation granted shall be renewed by a re-assessment, for which the laboratory shall apply four months before the expiry of accreditation. Thereafter SLAB shall conduct re-assessment in every three years and annual surveillances.
4. In addition to planned surveillances, depending on the behavior of the laboratory or in response to complaints with regard to violation of rules and procedures of SLAB for accreditation, unannounced or other surveillance activities may be arranged. The laboratory shall assist in the investigation and resolution of any accreditation related complaints about the laboratory referred to it by the SLAB.
5. When requested, the laboratory shall afford accommodation and co-operation to enable the SLAB to verify fulfillment of requirements for accreditation. These facilities shall be available at all premises where the conformity assessment is supposed to take place.
6. The laboratory shall offer SLAB access to all relevant information including documents and records pertaining to accreditation that provide insight into the level of independence and impartiality of the laboratory from its related bodies to all relevant personnel and to all testing areas to undertake any check to verify testing capability of the laboratory, and to witness the testing/ sampling being performed relevant to accreditation.
7. The laboratory shall provide on request of SLAB, access to SLAB's assessment teams including observers, witnessing assessors and APAC/ILAC Peer Evaluators or any expert appoint on behalf of SLAB to assess the laboratory's performance or Performance of SLAB's assessment team. Laboratory shall provide personnel protective equipment (PPEs) for assessment team, when required.
8. The laboratory shall appoint competent personnel to perform and evaluate tests and authorized signatories who are responsible for authenticity and issue of test reports as per SLAB requirements.
9. On grant of accreditation, the laboratory shall claim accreditation in only those premises, fields/ facility, disciplines, tests for which it has been accredited and as stated in the Certificate and Schedule of accreditation.
